This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Section 2: **Definitions:**
The following definitions, when used in this Article XI, shall have the meanings set forth in this Section 2.

*Interested Person*
Any Officer, Executive Board member or member of a committee with Executive Board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

*Financial Interest*
A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

(i) An ownership or investment interest in any entity with which the Guild has a transaction or arrangement;
(ii) A compensation arrangement with the Guild or with any entity or individual with which the Guild has a transaction or arrangement; or
(iii) A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Guild is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article XI, Section 3(b), a person who has a financial interest may have a conflict of interest only if the appropriate Executive Board or committee decides that a conflict of interest exists.

Section 3: **Procedures:**
(a) **Duty to Disclose**
In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Executive Board members and members of committees with Executive Board delegated powers considering the proposed transaction or arrangement.

(b) **Determining Whether a Conflict of Interest Exists**
After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the Executive Board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Executive Board or committee members shall decide if a conflict of interest exists.

(c) **Procedures for Addressing the Conflict of Interest**

(i) An interested person may make a presentation at the Executive Board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.

(ii) The chairperson of the Executive Board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

(iii) After exercising due diligence, the Executive Board or committee shall determine whether the Guild can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

(iv) If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Executive Board or committee shall determine by a majority vote of the disinterested Executive Board or committee members whether the transaction or arrangement is in the Guild’s best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

(d) **Violations of the Conflicts of Interest Policy**
(i) If the Executive Board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

(ii) If, after hearing the member’s response and after making further investigation as warranted by the circumstances, the Executive Board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.
