

Cabarrus Quilter's Guild

Member Information Update

I hope you are looking forward to a fun filled year of quilting here with the guild. We have worked hard to put together a calendar of projects, workshops and speakers so that there will be something for everyone to choose from.

With so much going on this year, it is important that we have the most current contact information for each guild member. **If you have had changes to your contact information**, please take a moment and fill out the contact section below so that we may update our membership list. This will enable us to communicate with each member of our guild in a timely and effective manner.

Be sure to check our web site for information concerning the guild and a copy of the newsletter. Each month the home page will let everyone know about our upcoming meeting and any other important information that needs to be shared. Please ensure that you visit the site regularly to see what is happening in the guild and to watch the site's design changes. Also, if you have any ideas about what should be on the website - please drop either Terry Patterson or the guild president a note. Here is the address to our website.

www.cabarrusquiltersguild.org

Last but not least - please let us know if you would like to have and or like to be a Guild Quilt Buddy. Simply answer the few questions below and we will take care of the rest.
